

Bring Your Own Bag

lyrics and music by Mark Beckwith

When going to the grocery store

Bring your own bag,
Bring your own bag,
Bring your own bag,
Bring your own bag,
Bring your own bag,
Bring your own bag

Reuse it

I don't want to waste Mamma Earthie's oil
So I won't use any plastic bags
I don't want to waste Mamma Earthie's trees
So I won't use any paper bags

Everyone do it for our beautiful planet
