

## **Reduce like a Moose**

lyrics and music by Mark Beckwith

Reduce like a moose  
Reduce  
Reduce like a moose  
Take only what you need  
No need to exceed  
A moose can teach you to reduce

When a moose eats tree leaves in the forest  
He doesn't need to eat three desserts  
Cause a moose knows that if he gorges  
Soon he won't fit into his shirts

Reduce like a moose  
Reduce  
Reduce like a moose  
Don't ever waste  
Spaghetti or toothpaste  
A moose can teach you to reduce

And if a moose goes shopping at a mall  
How many pairs of shoes would he buy?  
Well a moose doesn't buy shoes at all  
(I just bought three pairs)  
But why?

Reduce like a moose  
Reduce  
Reduce like a moose  
Don't needlessly waste  
Things to be replaced  
A moose can teach you to reduce

Reduce like a moose  
Reduce  
Reduce like a moose  
Don't ever waste  
Spaghetti or toothpaste  
A moose can teach you to reduce

Reduce like a moose
