

Lyrics for "Say Hello"

© 1996 Mark Beckwith

Being kind starts with a word
Being kind starts with a word
When are meeting someone new
There's something nice that you can do
Being kind starts with a word

Bonjour

Aloha

Salam

Hola

When are meeting someone new
There's something nice that you can do
Wherever you go
Be sure to say, "Hello"

Being kind starts with a word
Being kind starts with a word
When are meeting someone new
There's something nice that you can do
Being kind starts with a word

Nǐn hǎo

Halo

Wuzup

Zdrav

When are meeting someone new
There's something nice that you can do
Wherever you go
Be sure to say, "Hello"
